

Visit to Strategic Vision Institute, Islamabad

04 September, 2025

A delegation of CAPS led by President Dr. Khuram Iqbal, visited Strategic Vision Institute (SVI), Islamabad on SVI's invitation. The purpose of the visit was to familiarize the researchers and specially the international interns with the Pakistan's policy on core issues like that of nuclear policy and its evolution. The executive director of SVI, Dr. Naeem Salik, delivered a lecture on Pakistan's Nuclear Policy and Strategic Stability in South Asia followed by an extensive Q&A session.

Prior to the lecture, short presentations were delivered on mission, methodology and achievements of SVI and CAPS respectively. SVI offered to share its experience and requested the CAPS expert on Asia Pacific for regular interactions with its staff.

Moreover, to formalize the collaboration, a draft MOU is requested by SVI on which CAPS is working on.

At the end the souvenirs were presented to CAPS leadership and team.
